5k and Half Marathon Relay: 7:45 a.m.

monumentmarathon.com | racedirector@wncc.edu | 308.630.6550

Event Information

Marathon weekend begins with the Health Expo, on Friday, September 29, from noon to 8pm at the Gering Civic Center, where runners will pick up their race packets. The community is invited to attend and meet runners, visit expo booths, and eat at the 5pm pasta feed. Early on Saturday, all runners park at Five Rocks Amphitheater. Full marathon runners arrive around 6am and are bused to the Wildcat Hills Nature Center where their race begins. The half marathon, relay, and 5K runners arrive around 7am. Five Rocks Road closes from 7:25 - 8am, so ALL runners must be in the parking area before 7:25 am. The half marathon, relay, and 5K races begin at Robidoux RV Park beside Five Rocks Amphitheater. All race distances share a finish line at Five Rocks Amphitheater. Runners cross the finish line between 8am and 2pm. Five Rocks Amphitheater is open to the public to view the race finish throughout the day and the award ceremony at noon.

Questions?

Visit our website at monumentmarathon.com or contact us at racedirector@wncc.edu or 308-630-6550.

Spectator Information

The community is invited to cheer for runners along public areas of the course and as they cross the finish line between 8:00 am and 2 pm at Five Rocks Amphitheater. Awards for all distances and age categories begin at noon; food vendors will be available throughout the morning and lunch. Please see reverse side for cheer station locations and a timetable of road impact by area.
